TERMS AND CONDITIONS FOR INSURANCE COVER OF AWP P&C S.A., GERMANY BRANCH

General Provisions AVB AB-EV 20 OV-MWH

The General Terms and Conditions for your travel insurance apply to the individual policies in addition to the Special Terms and Conditions set out further below. Insurance cover is provided if you have arranged the relevant insurance policy with us.

Section 1 Who is insured?

You will be included as an insured person in the group insurance contract. The persons insured are the persons named in the booking confirmation and the additional drivers specified by name in the rental contract. The general terms and conditions of insurance and the data protection information apply to those named in the contract. In the event of a claim, the insured person may assert claims relating to the insurance benefit and rights associated with the compensation directly against us. The policyholder's consent is not required.

Insofar as the knowledge or conduct of the policyholder is of legal significance according to the insurance conditions or statutory provisions, the knowledge and conduct of the insured person shall also be taken into account.

Section 2 What travel is insured?

Your insured travel is protected by insurance cover within the agreed area of application.

Section 3 What premium payment arrangements apply?

The insurance premium is paid by the policyholder. The insured person does not have to pay a premium. We may not offset due receivables arising from the insurance contract (e.g. insurance premiums against the policyholder or other insured persons) with claims of the insured person out of the insurance contract.

Section 4 When does the insurance cover begin and end?

- 1. The insurance coverage begins with the handing over of the vehicle.
- 2. The insurance coverage expires at the end of the vehicle rental.

Section 5 In what situations are you not insured (general exclusions)?

- You are not covered for loss or damages caused by:

 a) strikes, nuclear energy, actions by a state authority.
 b) wars, civil wars or war-like events.
 c) NBC weapons or NBC materials
- 2. You are not insured for travel within areas for which the Federal Foreign Office of Germany has issued a travel warning at the time of your entry into this area. If you are already at the location when a travel warning is announced, the insurance cover shall end 14 days after the travel warning has been announced. If you are unable to discontinue your travel for reasons in which you are not at fault, you will be insured beyond this time limit.

The limitation of coverage does not apply to Covid-19 travel warnings issued by the German Federal Foreign Office.

- 3. There is no insurance cover for loss or damage caused deliberately by you.
- 4. You are not insured while on expeditions.
- 5. No insurance cover exists if
 - a) there are economic, trading or financial sanctions or embargoes declared by the European Union or the Federal Republic of Germany and
- b) these are directly applicable against you or us, or which prevent the provision of insurance cover.
- This also applies for economic, trading or financial sanctions or embargoes imposed by the United States of America, insofar as these do not violate European or German legal regulations.

Section 6 What is the limitation period for your claim to benefits under the insurance contract?

Your claim to insurance benefit shall lapse after three years. The limitation period begins at the end of the year

in which the claim was made and you had knowledge of the circumstances justifying the claim, or should have had knowledge of such circumstances without gross negligence.

Section 7 When will insurance benefits be paid?

We will pay the insurance benefit within two weeks of conclusively verifying your claim. The payment will always be made by bank transfer to an account held at a bank.

Section 8 What applies if you have compensation claims against third parties?

- If you have claims against other parties in connection with the loss or damage event, these shall be assigned to us. This applies up to the amount of the payment you have received from us, provided you are not placed at disadvantage as a result.
- 2. When requested by us, you must provide us with written confirmation of this assignment.
- Your entitlements to benefits from other private insurance contracts shall take precedence over our obligation to indemnify.

Section 9 In what form must declarations and notifications be issued, and who is entitled to receive them?

Both you and we must issue notifications and declarations of intent in textform (e.g. letter, fax, email).

Section 10 What court in Germany has jurisdiction? What law applies?

- If you wish to file legal actions in connection with this insurance contract, you may choose between the following legal venues:
 - Munich or
- the place in which you are resident at the time of filing the action.
- If we wish to assert claims against you before a court of law, the courts of the place in which you are resident in Germany at the time of filing the action shall have jurisdiction.
- This contract is governed by German law insofar as is permissible under international law.

Additional Motor Third Party Liability Insurance for Rental Vehicles Abroad AVB MWH 20

Section 1 Under what circumstances is an insured event deemed to have occurred?

An insured event has occurred if, as a result of using the rented vehicle abroad,

a) persons have been injured or killed or

b) property is damaged or destroyed

and therefore claims for damages are asserted against you on the basis of statutory liability provisions under private law and the insured sums of the motor vehicle liability insurance in force abroad for the rented vehicle are insufficient to cover the damaging event.

Section 2 What are the futher requirements for the additional motor third party liability insurance for rental vehicles abroad?

- The prerequisite for insurance cover is that motor vehicle third-party liability insurance already exists for the rental vehicle abroad which at least meets the legal requirements of the country concerned.
- In the event that there is no compulsory insurance in the country of rental, motor vehicle liability insurance must be taken out locally for the rental vehicle.
- The insurance cover of this insurance contract comes into existence only once the basic cover taken out by the rental vehicle company and other insurances existing for the motor vehicle third-party liability have been utilised and completely exhausted.

Section 3 What benefits do we provide if an insured event occurs?

We will only pay compensation after all compulsory motor vehicle insurance policies for the rental vehicle have been fully exhausted.

- 1. If the claims for damages asserted are justified, we shall pay monetary compensation.
- If the claims for damages are unfounded, we shall defend them at our expense. This also applies if the claims for damages are unfounded in terms of their amount.

Section 4 Up to which amount do we pay?

The contractually agreed sum insured per damaging event can be found in the overview "Your Insurance Benefits". Several losses occurring at the same time and having the same cause shall be deemed to be a single loss event.

Section 5 When are you not covered by this insurance?

In addition to the general exclusions set out in Section 5 of the General Provisions, the following exclusions of insurance cover apply:

- The insurance does not cover any deductible under the rental vehicle liability insurance for rental vehicles abroad.
- Damage to the rental vehicle itself and the resulting financial losses are not insured.

Section 6 Which claims for damages are not insured?

- The insurance does not cover claims for damages 1. Insofar as these exceed the scope of the statutory liabi-
- lity as a result of contractual or other commitments. 2. Among and between insured persons travelling
- together and insured persons and their accompanying relatives.
- 3. By passengers of the rental vehicle driven by you.
- 4. By the driver of the rental vehicle.
- Due to damage caused to third-party property rented by or on loan to you or obtained through unlawful interference or in your custody.
- Due to damage caused when participating in driving events which aim at reaching a maximum speed. This also applies to the related driving training.
- 7. Due to compensation of a punitive nature, particularly punitive or exemplary damages.

Section 7 What are your obligations when using the vehicle?

- You may only use the vehicle if you are contractually authorised to do so by the rental vehicle company. Fur-thermore, you may not knowingly give a third party permission to drive the vehicle who is not contractually authorised to do so by the rental vehicle company.
- You may only use the vehicle with an appropriate driving licence. Furthermore, you may not allow the vehicle to be used by a driver who does not have the required driving licence.
- 3. You may not drive the vehicle if you are you are unable to drive safely due to the consumption of alcoholic beverages or other intoxicating substances. Furthermore, you may not let another person drive who is unable to drive the vehicle safely due to the consumption of alcoholic beverages or other intoxicating substances.

Section 8 What are your obligations after the occurrence of damage or loss?

- 1. You must notify us within one week of any loss event that may lead to a benefit being paid by us.
- 2. If claims are made against you, you must notify us within one week of the claim being made.
- If the police, the public prosecutor's office or any other authority investigates in connection with the loss event, you must notify us immediately. This also applies if you have already reported the loss event to us.
- 4. If a claim is filed against you in court (e.g. lawsuit, default summons), you must notify us immediately. The legal proceedings will be conducted by us. If necessary, we will also appoint a lawyer on your behalf. You must give him/her power of attorney and all necessary information and provide the requested documents.

Section 9 What are the legal consequences of breaching an obligation?

If you breach an obligation, this may mean that we are not liable or only partially liable to pay benefits. Specifically:

 If you intentionally breach the obligation, we are not obliged to pay. If you breach the obligation through gross negligence, we are entitled to reduce our benefits. The reduction is based on the severity of the fault. If you can prove that there was no gross negligence, we will not reduce the benefit.

Even in the event of intent or gross negligence, we shall remain obliged to pay benefits insofar as you prove to us that the breach of the obligation was

a) neither the cause for the occurrence or the determination of the claim

b) nor for the determination or the scope of our obligation to pay benefits.

This does not apply if you have breached the obligation fraudulently.

Special statutory provisions apply to obligations to provide information or disclosure to be fulfilled after the occurrence of the insured event (Section 28 para. 4 of the German Insurance Contract Act). If you breach these obligations, the following applies: We are only fully or partially exempt from paying benefits if we have previously informed you of this legal consequence by means of separate notification in text form. However, this duty to inform does not apply if it is impossible for us to give you this information in good time due to the circumstances. This applies in particular in the case of the obligation to wait to enable determinations to be made after an accident.

Section 10 To what extent do we have power of attorney?

We are authorised to make any declarations that we deem appropriate to process the damage or defend against claims for damages on behalf of the insured person.

DATA PROTECTION POLICY

In accordance with Art. 13 and 14 of the General Data Protection Regulation (GDPR), we are informing you about how your personal data is processed by AWP P&C S.A., Niederlassung für Deutschland (Germany Branch), and about the rights to which you are entitled under data protection law. Please make all co-insured individuals (e. g. your spouse) aware of this policy.

I Who is responsible for processing your personal data? Responsibility for processing your personal data rests with

AWP P&C S.A., Niederlassung für Deutschland Bahnhofstraße 16 D - 85609 Aschheim (near Munich).

The Data Protection Officer can be contacted by standard mail at the aforementioned address, using the suffix "Data Protection Officer", or by email at datenschutz-azpde@allianz.com.

II For what purpose is your data processed, and on what legal basis does this take place?

1. What applies to all categories of personal data?

We process your personal data in compliance with the EU General Data Protection Regulation (GDPR), the German Federal Data Protection Act (BDSG), the provisions of the German Insurance Contract Act (VVG) relevant to data protection law, as well as all other applicable laws.

When you apply for insurance cover, we will require the information provided by you at this point in order to arrange the contract and to estimate the risk assumed by us. If the insurance contract comes into being, we will process this data for the implementation of the contractual relationship, such as for invoicing purposes. We require information about loss or damage in order to be able to assess whether an insured event has occurred and determine the extent of this loss or damage.

It is not possible to arrange and implement the insurance contract without processing your personal data.

Art. 6 (1) b) GDPR constitutes the legal basis for the processing of personal data for pre-contractual and contractual purposes.

Alongside that, Art. 6 (1) a) and c) – f) GDPR contain other legally defined situations in which we are entitled to process personal data.

We will process your data in order to fulfil a legal obligation in accordance with Art 6 (1) c) GDPR, such as to review claims for settlement, if another insurer seeks recourse from us due to the existence of multiple insurance policies.

We will also process your data in order to uphold our legitimate interests or the legitimate interests of others, Art. 6 (1) f) GDPR. This may be the case particularly:

- for ensuring IT security and IT operations
- for marketing our own insurance products, and for conducting marketing surveys and opinion polls
- for the prevention and investigation of criminal activities (in particular, we employ data analyses to detect possible indications of insurance fraud).

As a rule, we only process that data that we have received directly from you. In certain cases we may also receive such data from other sources (such as if another insurer seeks recourse from us due to the existence of multiple insurance policies).

We also process your personal data in order to fulfil other statutory obligations, such as regulatory requirements, as well as data retention obligations imposed by commercial and tax law. In these cases, the legal basis of the data processing is provided by the relevant statutory regulations in conjunction with Art 6 (1) c) GDPR. We may also process your data in accordance with Art 6 (1) d) GDPR in order to protect your vital interests, or if you have consented to the data processing, Art. 6 (1) a) GDPR.

If we wish to process your data for any purpose other than those specified above, we will notify you in advance within the framework of the statutory regulations.

2. What applies to special categories of personal data, especially health data?

There are special safeguards on the processing of special categories of personal data, of which health data is one. As a rule, processing is permitted only if you have consented to the processing in accordance with Art. 9 2) a) GDPR, or if this is a case of one of the other situations defined by law, Art. 9 (2) b) – i) GDPR.

a) Processing of your special categories of personal data

In many cases, in order to review the benefit entitlement, we require personal data belonging to a special category (sensitive data). This includes health data, for example. If, in connection with a specific insured event, you provide us with such data together with a request to review and process the claim, you are explicitly permitting us to process your sensitive data necessary in order to process the insured event. We will again remind you specifically of this fact in the claim form.

You may withdraw your consent at any time, with future effect. However, we explicitly inform you that it may in that case no longer be possible to review our indemnity obligation in connection with the insured event. If the review of the claim is already concluded, there may be statutory retention obligations that mean the data cannot be erased.

We may also process your sensitive data if this is necessary to protect your vital interests, and if you are physically or legally incapable of giving consent, Art. 9 (2) c) GDPR. This may be the case if you suffer a serious accident while travelling, for example.

In the case of multiple insurance policies, if another insurer seeks recourse from us or if we seek recourse from another insurer, we may process your sensitive data in order to assert and defend the statutory claim for settlement, Art. 9 (2) f) GDPR.

b) Requesting health data from third parties for review of the indemnity obligation

In order to review our indemnity obligation, it may be necessary for us to review information about the state of your health, as provided by you for the substantiation of claims, or which is contained in the documents submitted (e.g. invoices, prescriptions, medical reports) or statements, such as from a doctor or other member of the healthcare profession.

For this purpose, we will require your consent, including a confidentiality waiver covering us and all agencies subject to a duty of confidentiality, and which are required to provide information for review of the indemnity obligation.

We will notify you in each specific case about what persons or institutions require information for what purpose. You may then decide in each case whether you consent to us collecting and using your health information, and whether to release the named persons or institutions and their duty of non-disclosure, and if you agree to the communication of your health data to us, or if you want to personally provide the necessary documentation.

III To what recipients will we communicate your data?

Recipients of your personal data may include: selected external service providers (e.g. assistance service providers, benefit processors, transport service providers, technical service providers, etc.), other insurers (e.g. in the case of multiple insurance coverage). We also insure some of the risks that we cover with specialist insurance companies (re-insurers). To this end, it may be necessary to send your contract and, where relevant, your claims information to a re-insurer, to enable it to form its own opinion of the risk or the insured event.

If you join a group insurance contract as an insured person, (e.g. when acquiring a credit card), we may disclose your personal data to the policyholder (a bank for example), if it has a legitimate interest in knowing this information.

In addition, we may also communicate your personal data to other recipients, such as public authorities for the fulfilment of statutory duties of notification (e.g. finance authorities or criminal investigation agencies).

The forwarding of data is a form of data processing, and is likewise performed within the framework of the principles set out in Art. 6 (1) and Art. 9 (2) GDPR.

IV How long will we retain your data?

We will retain your data for the period during which claims may be made against our company (statutory limitation period of 3 to 30 years). We will also retain your data if we are under a legal obligation to do so, e.g. according to the provisions of the German Commercial Code, the German Fiscal Code or the German Money Laundering Act. The relevant retention periods range up to ten years.

V Where will your data be processed?

If we should transfer your data to service providers located outside of the European Economic Area (EEA), the transfer within the Allianz Group will be performed on the basis of "Binding Corporate Rules", which have been approved by the data protection authorities. These form part of the "Allianz Privacy Standard". These Corporate Rules are binding on all companies within the Allianz Group, and they ensure an appropriate level of protection for personal data. The "Allianz Privacy Standard" and the list of Allianz Group companies bound by this standard, can be viewed here: https://www. allianz-partners.com/allianz-partners---binding-corporaterules.html.

In those cases in which the "Allianz Privacy Standard" does not apply, the transfer of data to third countries will take place in accordance with Art. 44 – 50 GDPR.

VI What are your rights?

You have the right to be informed about all of the information retained by us, and to demand that incorrect data be rectified. Under certain conditions, you also have the right to the erasure of data, the right to object to processing, the right to the restriction of processing and the right to data portability.

Right of objection

You may object to the processing of your data for direct marketing purposes. If we process your data in order to protect legitimate interests, you may object to this processing for reasons pertaining to your particular situation.

If you have any objections concerning the handling of your data, you may contact the aforementioned Data Protection Officer in this connection. You are also entitled to lodge an objection with a data protection supervisory authority.
